Inclusion & Diversity e-News | Jul 2019

And just like that we are over halfway through the year!

It's been a busy few months here at Inclusive Sport SA with both our day to day programs and one off events.

In May we ran the 2019 Inclusion and Diversity in Sport Conference. The annual event saw over 170 delegates gather from across State and National Sporting Organisations, Local and State Government and Recreation Centres to discuss "Is Sport doing enough" in promoting inclusion and diversity in our clubs and sporting codes. Guest Speakers Sport Australia CEO Kate Palmer, Victorian Head of Women in Sport and Recreation Dr Bridie O'Donnell and former Soccerroo and Gold Logie winner Craig Foster delivered captivating sessions aimed at motivating and challenging attendees working in the inclusion and diversity space in sport.

Our Rapidswim programs continue to deliver swimming programs across our seven venues in Adelaide in both Aquatic Therapy and Learn to Swim sessions. We hope that everyone involved had a fun and beneficial term and that we see you all again for Term 3.

July saw us welcome a new staff member to the growing ISSA Team, Developmental Educator Chloe Jarvis who has joined the Therapy branch of the organisation. Chloe will be supporting our Senior Practitioner, Natalie Montgomery, in delivering our increasingly popular Positive Behaviour Support service. We are thrilled to have Chloe on board and are sure that she will be a fine addition to our team.

It's been a busy time in sport with winter competitions getting towards the pointy end of the season. We have seen some fantastic stories come out of sport this year, an example being the Contax C6 netball team celebrating five teammates reaching their 100th game with the club. We love hearing what is happening in the community so if you have a story from in your sport or club, make sure to let us know. Your club or sport could end up the star of one of our upcoming [#wellplayed](#) Campaign videos.

Lastly, before I sign off, [Life Member nominations](#) are now open for Inclusive Sport SA. If you know someone who deserves recognition for his or her outstanding contribution to the existence or effectiveness of the association, make sure you submit a nomination.

See you around the grounds...
John Cranwell
