Welcome from the CEO

It has been a very busy 2018 here at Inclusive Sport SA and it's hard to believe Christmas is just around the corner (although, the shops have been selling Christmas decorations since July, so maybe I shouldn't be as surprised).

Over the past 10 months we have seen exciting changes to our organisation on a few different fronts. We've said 'hello' to new highly skilled team members and 'farewell' to long serving and valuable employees and Board members. We have introduced new services and projects that are advancing nicely and (as with this newsletter) committed to delivering on point communications and promotion regarding our organisation to new and existing members.

We have an exciting and progressive initiative to announce in the coming weeks that you'll want to hopefully get involved with. If you haven't done so already, make sure you *Like* our [Facebook page](#) to stay up to the minute with what's happening around the grounds and in

I'd like to take this opportunity to thank departing Chair of our Board of Directors Darren Steele for his guidance and professionalism over the past five years and welcome Sue Wundenberg to the role as we look forward to delivering our key organisational targets next year and beyond.

All in all, the Board, my team and I are confident that we are heading in a direction of strength which means delivery of better services and true engagement with our members; a real presence in the sport and rec sector and most importantly - positive and actively inclusive opportunities for all in our communities.

See you around the grounds

Rapidswim Swimming Carnival

Last weekend we hosted our annual Rapidswim swimming Carnival at the Thebarton Aquatic Centre, a day where competitors, families and staff couldn't wipe the smiles from their faces.

Our participants put their newly developed and highly skilled swimming skills on show, taking on a range of events including 25m and 50m races, as well as a thrilling relay to close out the day.
