Strategic Planning Process

In 2015, Inclusive Sport SA established a five-year rolling strategic plan. This structure focuses on where the organisation would like to be in five years and what we have to do to achieve this vision. Every 12 months, the organisation re-evaluates the five-year vision taking into consideration changes to the business environment (both internally and externally). This evaluation process will engage with staff, Directors, stakeholders and members.

Every Year:

- March - CEO and staff meet to review 5 Year Strategy
- March – CEO to complete an environmental scan (PESTEL)
- March - Clients and key stakeholders engaged to provide input on 5 Year Strategy
- April – Board provide feedback on 5 Year Strategy
- May – Further consultation with clients and key stakeholders
- June – Updated 5 Year Strategy and Annual Key Targets presented to Board for adoption

Every 2-3 Years:

- Full review of the organisation's Strategic Priorities
- Basic review of organisation's Purpose and Values

Every 5 Years:

- Full review of the organisation's Purpose and Values
