

# TRAINING AND EDUCATION

**Our team offer a range of training opportunities to assist your organisation in building inclusive practices & culture.**

## WHO ARE ACTIVE INCLUSION?

*Offering tailored consulting, training services and special project management.*

Active Inclusion is a consultancy and training initiative offering tailored consulting and training services, special project management and collaborative opportunities for the sport and recreation sector, state and local government departments, higher education, corporate businesses and community service providers.

Our mission is to develop and promote inclusive practices that result in:

- Strong connections and quality relationships to and in community.
- An inclusive and diverse culture that empowers people to use their voices.
- Delivery of enhanced value to internal and external stakeholders.
- Improvement of overall organisational effectiveness and capabilities.

# AVAILABLE TRAINING MODULES
